ODJFS Federal Credit Union is pleased to announce **Major Changes Coming Fall 2019!**

During this year's Annual Credit Union Meeting, the membership selected a new logo and slogan:

"Financial Services with a Personal Touch"

The logo and slogan are a simple, yet unique embodiment of ODJFS Federal Credit Union.

The theme for 2019 is "*Growth Through Technology*". The improvement efforts of the Credit Union Board and Staff have translated into significant enhancements in how the Credit Union will continue to provide products and services to its members.

New partnerships, expanded technology, office furniture and equipment are all parts of ODJFS FCU re-branding and refresh project.

"The financial landscape has transformed over the years. We are committed to offering our members the latest tools in the financial services arena while maintaining a personal touch. We are balancing the requirements needed to remain a well-capitalized credit union with the strategic needs of the organization," said Lynnet Simpson, CEO. "We are making significant technological improvements that will allow us to seamlessly serve our members day and night."

This Fall, the Credit Union will add these new exciting products and services:

Online Bill Pay

Pay bills "*on-the-go*" or from the comfort of your couch.

What is GAP Insurance?

A vehicle's value depreciates the moment it is driven off the car lot. Statistics point out that many vehicles lose up to 20% of their value within the first year. Insurance companies only cover the depreciated value of the vehicle at the time of the claim should the car be badly damaged or totaled in an accident.

GAP Insurance covers the difference between what the car is currently worth (the amount the insurance company will pay out on the claim) and the amount you actually owe on it. GAP Insurance fills in "the gap" and often pays off the damaged or totaled vehicle.
